

MEMORANDUM

**DEPARTMENT OF HEALTH & HUMAN SERVICES
Public Health Service
Food and Drug Administration
Center for Drug Evaluation and Research**

DATE: December 21, 2005

FROM: Acting Director
Division of Nonprescription Regulation Development
Office of Nonprescription Products

SUBJECT: Public Administrative File for Over-the-Counter Phenylpropanolamine-Containing Drug Products; Tentative Final Monograph (Docket No. 1976N-0052N, formerly 1976-052N)

TO: Division of Dockets Management (HFA-350)

Under cover of this memorandum, we are forwarding Volume No. 04PPATFM to be added to the public administrative file for the Tentative Final Monograph for Phenylpropanolamine-Containing Drug Products for Over-the-Counter Human Use. The volume includes new references cited in the tentative final monograph that are not currently included in the public administrative file.

If there are any questions, the contact person on my staff is Robert Sherman at 301-796-0996.

Susan S. Johnson, Ph.D.
